Hereby AUTHORIZES

the publication of still images (photographs) and / or in motion (video footage), as well as audio recordings, both electronically, audio and video, and in paper form, carried out by the **Centre of Ceramics Experimentation for Skills and Technical Innovation** (based in Via A. Gramsci, 8 in Montelupo Fiorentino - FI). These when, regarding me, are taken and / or made by the operators of the Centro Ceramico Sperimentale (CCS), or by external personnel employed by the CCS, for the purpose of didactic documentation, technical and historical documentation on ceramics, glass and traditional local crafts, promoting CCS and its Professional Training Center.

*Said materials, be they images, photographs or video footage, audio footage, may be published in full, in a reduced version, in quotation, for all CCS productions by means of video editing, audio and audio-video editing, and in any edition on paper with possible extrapolation of individual clips at the discretion of the editorial staff, production and / or direction of **the Centre of Ceramics Experimentation for Skills and Technical Innovation**. The publication may take place in any way and on any medium: paper publication, videotapes, CD / DVD, Hard Disk, USB or any other type, online on the Internet or social platforms deemed interesting and appropriate for the purposes of **the Centre of Ceramics Experimentation for Skills and Technical Innovation**.*

The Centre of Ceramics Experimentation for Skills and Technical Innovation, for the realization of the products related to the materials subject of this disclaimer, can also make use of structures, laboratories, productions or external agencies, while guaranteeing the contents and the agreed purposes herein specified by the disclaimer and relevant clauses.

The undersigned, in addition, prohibits the use of such images or recordings in contexts that compromise the personal dignity of the undersigned or for purposes other than those pursued by the Centre for Ceramics Experimentation. Therefore this authorization does not allow the use of content in contexts that compromise personal dignity and / or decorum and in any case for use and / or purposes other than those indicated above.

The undersigned confirms that he/she has nothing to claim on the basis of the above and to irrevocably renounce all rights, actions or claims deriving from the above authorized. Therefore, the undersigned does not claim any payment for the use of the images, audio and text relating to this release.
